Title

By Commissioner's Office
LR 28-91.
Bangalore District
Dated 18th December 18

To

The Chief Secretary to the Dewan
of Mysore.

Sir,

I have the honor to state that a piece of land measuring about 3 acres and 3 guntas in the occupancy of one Muddanna in the Kayamgutta village of Mattikere in the Bangalore Taluk was taken up for Bangalore Hindupur Railway for a compensation of Rs 137, Rs 125- for land and Rs 12 for a well (vide the statement submitted with this Office No. 416 dated 17th August 1891) and that a portion of this land not being required, the same (about 1 acre and 25 guntas) was sold by Government for Rs 65/. and the amount was credited to Government as per Government Proceedings No.

6705-7 dated 6th September 1891.
198

2. The payment of compensation sanctioned is claimed both by the occupant and the Kayanguttadar, but the former bought the occupancy right for Rs 125 and sold it to Govern-ment for that price and he cannot therefore be expected to pay out of the price anything to the Kayangutta-dar. The Kandayam on the portion sold by Government is payable to him by the purchaser and what is lost to him is only the Kandayam on the portion occupied by the Railway Company. This is ascertained to be Rs 6-4-0. Proportionately therefore the rent payable for the land occupied by the Railway authorities would amount to Rs 2-15-2. I think the best and most equitable way of settling the claim is to deduct Rs 2-15-2 from the Kayangutta

of the village, to which the Kayam-
-guttadar consents.

4. The vernacular file of papers is enclosed for reference and Kind Return.

I have the honor to be
Sir,
Your Most Obedient Servant.
